

HANDLING GAS CYLINDERS

GAS CYLINDERS CAN BE RETURNED TO THEIR OWNERS FREE OF CHARGE

Liquefied Petroleum Gas and Industrial Gas cylinders are the property of the company named on the cylinder.

If you receive gas cylinders onto your site or yard call one of the three numbers below to have UKLPG and BCGA members' reusable cylinders collected and returned to their owner without charge to you. The relevant company or their authorised agent will make arrangements to collect their cylinders.

The cylinders should be stored securely and safely in an appropriate cage and the area for collection should be safe for the vehicles to park and the operator to load.**

RETURN UKLPG AND BCGA MEMBERS' CYLINDERS TO THEM WITHOUT CHARGE*

*Free of charge collection applies solely to UKLPG and BCGA members' reusable cylinders.

**Area for collection should have hard standing, no build-up of slurry or mud and no overhead working taking place during collection.
