Nottsbus On Demand is a flexible, on demand bus service, that will take you to all your favourite entertainment spots in Mansfield. You can choose when you would like to travel by booking your journey through an easy-to-use app or by calling us on 0115 804 0404*.

Buses are available to book between **7.30pm and midnight on Thursdays, Fridays and Saturdays**, so it's never been easier to plan a night out.

Whether you're going for a romantic meal or grabbing a pint and a movie with friends, our **Nottsbus On Demand service will get you there and back.**

Nottsbus On Demand doesn't have a fixed route, our buses can travel anywhere between bus stops and designated points within the Mansfield Evening Zone, where there is not already a scheduled bus service running. Our smart technology will match your journey with other customers travelling in the same direction so you can be picked up along the way.

Booking a journey with Nottsbus on Demand is easy:

- 1 Scan the QR code on the back of this leaflet to download the Nottsbus on Demand app from your smart phone's app store and click 'Get Started' to register your details. You'll also be asked to choose whether you want to pay for your journeys with a debit or credit card via the app, or with cash when you get on the bus. If you have a concessionary pass you can add this to your user profile under 'Special settings' in the app and then select 'Pay on board/Concessionary pass' as your payment method. You can change these details or add a new payment method in the app at any time.
- 2 When you're ready to book a journey, simply open the app and select your pick-up and drop off points. The app will work out the bus stops or designated points that are closest to the locations you have provided. These may be a short walk so make sure you check the locations in the app. You'll also be asked to confirm the number of passengers who will be travelling.
- 3 On the 'Schedule' screen you'll be able to set your preferred pick up or arrival time, so you can choose if you want to travel on the next available bus or make an advance booking. If you need to reach your destination for a specific time, we recommend selecting 'arrive by' when making your booking. Our clever app will then work out your estimated departure time.
- 4 To confirm a journey simply click 'Book This Journey'. Then when it's time, make your way to your pick-up point and wait for one of our friendly drivers to arrive to take you to your destination. You can even track the progress of your bus via the app.

* Phone line available Monday to Thursday 8.30am to 5pm and Friday 8.30am to 4.30pm. Phone line will be closed on bank holidays.
