

Application for Ordinary Watercourse Land Drainage Consent

Before completing the application form you are recommended to contact us for advice on your proposal. Please follow this guidance to help avoid delays in your application.

Introduction

Please read through the guidance notes and application form carefully before you fill the form in.

Under the Land Drainage Act 1991, you need consent if you want to build a culvert or structure (such as a weir) to control the flow of water on any ordinary watercourse.

If you are not sure about anything in this form, contact us on the following:

Telephone: 0300 500 80 80

Email: flood.team@nottscc.gov.uk

Contents

1. About you, the Applicant

There is a charge of £50 for each structure or operation applied for under the Land Drainage Act. Your payment should be attached to this application. Please make your cheque payable to Nottinghamshire County Council.

14 Checklist

Please read through this list and tick the items you are sending with this application.

- Fully completed and signed application form
- Associated documents and calculations
- Applicable fee (£50 per structure)
- Environmental/Ecological Reports
- Method Statement

15 The Data Protection Act 1998

We will process the information you provide so that we can deal with your enquiry.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, Welsh Government);
- carry out research into environmental issues and develop solutions to problems;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service and improve it where necessary; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

16 Declaration

By signing below you are declaring that, as far as you know, the information given in this application, including the map and any supporting documents, is true.
